Construction observation

**Owner**  
Dean Poll

**Date of Completion**  
Estimated 2011

As one of the features of Central Park, the Loeb Boathouse is a well know restaurant catering to parkgoers and New York City residents alike. The exterior bar at this restaurant is located at the edge of the Central Park lake. It is to be replaced with a new, updated pavilion that better connects to the views of the park and the lake. The updated facility will provide a full bar and outdoor cooking area, as well as a renovate
